

The streamlined way to build your tech team.

YOUR HIRING PARTNER FOR EFFICIENCY AND TECH EXPERTISE

With Dice Talent Solutions, our experienced recruiters act as an extension of your team to source, screen and deliver top candidates for your short-term projects and long-term success.

What sets us apart?

Tech-exclusive focus

Over 30 years of experience connecting companies with tech talent.

Faster, simplified hiring

Pre-vetted candidates to match your needs,

Tailored solutions

Candidates matched to your business needs and budget.

Transparent pricing

No surprises, just cost-effective hiring.

Talent Solutions tailored to your tech hiring needs

How it works

Source

Dice aligns on your needs and starts searching for the best candidates.

Screen

Dice vets candidates, ensuring they have the right skills and experience.

Hire

You decide who to interview and hire based on the talent Dice shares.

For contract hires and permanent placement

- **Comprehensive onboarding & payroll support:** For contractors, compliance, payroll, and benefits managed through myBasePay.
- **No upfront costs:** Pay only for successful placements.
- **Flexible workforce scaling:** Adjust teams as project needs evolve.

For customized sourcing

- **Pipeline of quality talent:** Access candidates for current and future needs.
- **Flat-fee pricing:** Scalable, cost-effective hiring model.
- **Flexible sourcing:** Custom hiring strategies that evolve with your business.

Let's build your tech team together.
