Average number of registrations per event

"We participated in the Female Futures in Tech and it was fantastic! We had great engagement and great candidates that came through. Those segmented events are where we see a lot of success."

-Bank of America

Virtual Career Events bring together hiring managers and recruiters with technology professionals that are looking for their next career opportunity. With our support, you can easily connect with top talent without worrying about event logistics or driving attendance. Simply show up ready to screen, interview and hire!

Showcase your unique employer brand with custom booth branding options.

Feature your open jobs, logos, representatives and company collateral in a way that reflects your organization's values and goals.

Build a diverse workforce with our multi-channel marketing approach.

Dice executes comprehensive marketing campaigns to attract candidates through various channels.

Reach targeted candidates based on your specific hiring needs.

We target technology professionals that fit the event theme and needs of attending employers – including your specific roles, locations and skill sets.

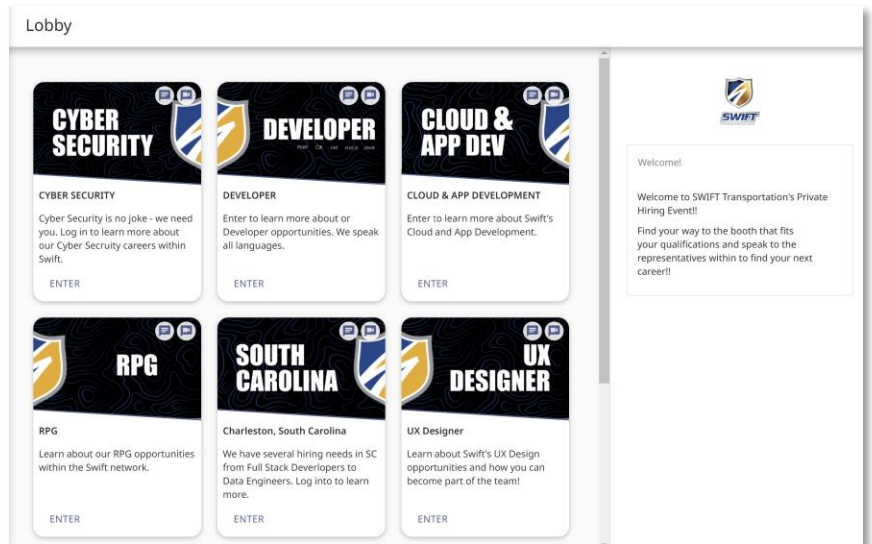

Streamline candidate pipelining with immediate access to resumes and post-event analytics.

Dice provides robust reporting that not only helps you identify candidates for immediate hiring needs, but also build a strong pipeline of tech professionals for future roles.

Choose the event type that fits your needs.

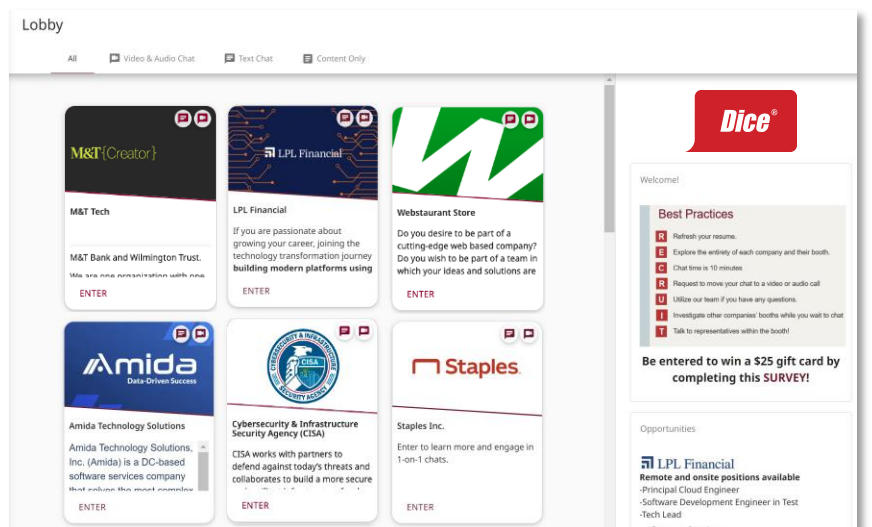

Private Events

- Only your company
- Choose a date and time; we'll handle planning logistics
- Hire for several positions across departments, locations and skill sets
- Personalized marketing campaign with your branding
- Attendees are specifically coming to see YOU!

Public Events

- Multiple companies
- Choose from a wide variety of Dice events to find what suits your needs
- Showcase your unique employer brand and set yourself apart from the rest
- Marketing campaign targets the needs of all attending employers
